CITY OF *Salem*
 AT YOUR SERVICE

We Always Bring Our Best!

At Wallace Marine Park Softball Complex, softball is a way of life. We offer the best possible experience for all players, coaches, and families. We offer a full service concession stand. We have well-maintained permanent bathrooms.

Wallace Marine Park has five of the best fields around. A full-time staff person works on maintaining our complex Monday through Friday; seasonal staff works on the weekend, and a full-time work crew works on the fields three days a week. You put all three parts together and you get a complex and fields rated 4.9 out of 5 each of the last two years. Wallace Marine Park has earned two consecutive James E. Ferrell ASA awards of excellence.

We're There

We always have at least two staff on site. All of our staff is well-trained on field preparation, park maintenance, and problem solving. Our staff always has access to a first-aid kit. We are also able to re-prep all fields between each round of play. Having a smooth clean field to start each game is something we pride ourselves on.

We Do What Others Don't

At Wallace Marine Park you won't have to question a home run. We will always put fences up as long as weather allows. We will supply your game balls—just one more thing we like to do for our teams.

Always Play ASA!

Six complexes offer ASA fall softball. Playing in sanctioned ASA leagues ensures that your team will be in the best leagues. The umpires are well-trained and experienced.

Competition is at the highest level. Playing facilities are top notch.

Six ASA Fall Fast Pitch leagues:

- Wallace Marine Park (10U-18Gold)
- East Multnomah County (10U-18U)
- Hillsboro Stadium (12U-16U)
- Tualatin Hills/Sunset Park (10U-18U)
- North Clackamas (10U-14U)
- Delta Park (12U-18U)
