As a part of City of Salem Softball (COSS) responsibilities, the City will register all teams with the United States Specialty Sports Association (USSSA) and the Amateur Softball Association (ASA). Registering with these national affiliations provides teams with the opportunity to play league, weekend tournaments, as well as state, regional, and national championship play. Teams will also have the opportunity to purchase secondary medical and liability insurance if desired through USSSA and ASA.
- 6.2 League and tournament play at the Wallace Marine Park Softball Complex will operate under a Code of Conduct (see Addendum A). All participants and spectators are expected to abide by Complex rules. It is imperative that everyone at the Complex supports a climate of respect, positive sportsmanship, and safety of self and others. Every Complex guest will be held accountable for their behavior. The abuse of any of the rules and regulations stated herein will result in a disciplinary action.
- 6.3 COSS reserves the right to add, delete, and/or change any rules at its discretion.

SECTION 7 LEAGUE OPERATIONAL GUIDELINES

The policies and procedures as outlined in Section 7 have been adopted as the operational guidelines for the Wallace Marine Park Softball Complex.

- 7.1.a Additional players must be added to roster pursuant to add/drop rules.
- 7.1.b If player is not currently on the team roster there will be a \$5 fee to add/drop a player after week two of the season.
- 7.1.c A player is considered to be on a team's roster if player information is filled out. Player's signature is not required until first night a player plays. Players must sign the Official Team Roster prior to playing. A fee shall not be assessed on player when they sign the waiver form as long as their information was filled in before the third week of the season.
- 7.1.d If you add a player to your team from the same league night or a non-rostered player, then the game is considered a league forfeit.

7.2 Added/Late Players

- 7.2.a Players can be added at anytime up to ten players and must be added to the end of the line up as well as be declared to the umpire. The umpire will communicate the late arrival to the opposing team.
- 7.2.b After the first pitch of the third inning, the 11th player and beyond may only enter the game as a substitute.

7.3 Age Minimums

- 7.3.a Players must be at least 15 years of age or older to play in the adult league program.
- 7.3.b Players 15 through 17 must have a parent/guardian release and a parent/guardian signature on the roster/waiver form to be eligible.

All participants and spectators are expected to abide by this Code of Conduct while at Wallace Marine Sports Park Softball Complex or any event sponsored by the City of Salem. Unsportsmanlike conduct, violence, threat of violence and/or profanity will not be tolerated.

7.6 Coed/Mixed Rules. Coed classifications will use the USSSA Rule Book with the following modifications:

- 7.6.a When a male batter is walked, he will go to second base to promote the female choosing to hit regardless of the number of outs in the inning.
- 7.6.b There is not a restriction to where males and females are put on defense.
- 7.6.c There is no creep line.
- 7.6.d There is no overplay rule in effect.

- 7.6.h Wheel Rule
- 1.) Teams may start a game with a minimum of three women and five men. When it is time for a female batter, and the team is shorthanded for women, the females must rotate between the male batters instead of taking an out.
 - 2.) Women must bat in the order that they are listed in the lineup.
 - 3.) If it is a female batter's turn and that female is on base in order to maintain the batting order, another female must become the courtesy runner. (If a female is unavailable, then a male may become the courtesy runner and he must be the last out made.)
 - 4.) When using an odd number of players, a team may only have one more male than female but may have as many females as desired up to 14 batters.
- Example:
- Four females and five males.
 - Five females and six males.
 - Six females and seven males.
- Seven males and five females are not acceptable. (Men may never wheel.) Taking an out for back-to-back men is not an option either.

7.7 Courtesy Runners

- 7.7.a A courtesy runner is allowed for one player per team per game once the replaced runner reaches a base.
- 7.7.b In the first inning where no outs have been made, the courtesy runner will be the last batter in the lineup or the last player who scored. In the Masters League there are unlimited courtesy runners. However, the same runner cannot run more than one time in the same inning.

- 7.7.c Prior to the game starting, if a team needs more than one courtesy runner, the umpire will call both coaches to the home plate to discuss. If both teams agree, the umpire will start/continue game.

7.8 Disciplinary Appeal Process

- 7.8.a Appeals shall be directed to the Softball Players Council (SPC). Individuals may appeal a Disciplinary Action. The individual must submit the appeal in writing and to the City of Salem's Parks and Transportation Services Division at 555 Liberty Street SE, Room 325, Salem, Oregon 97301 within five business days from the date of the violation.
- 7.8.b Appeals will be addressed by the appropriate City of Salem staff and/or the Softball Players Council.
- 7.8.c All suspensions will begin at the time of ejection regardless of when the appeal meeting takes place.
- 7.8.d If the City of Salem staff feels the appeal is warranted, a Disciplinary Action Hearing will be within three business days.
- 7.8.e If appeal date is missed then the disciplinary action will stand.
- 7.8.f Decision will be made and communicated within 24 hours. Player will be notified by phone call, certified letter and notify team coach.
- 7.8.g Should a suspended player plays a game prior to the appeals hearing process their appeal is automatically denied and the team they are playing for will forfeit all games played with the suspend player.

7.9 Dropping Players From Lineup

- 7.9.a If a player leaves for any reason and there is no substitute, an out will be taken for that spot in the lineup. Exception: Player injury. If a player is injured and leaves the game, that players spot will not be considered an out.
